ABOUT KRISTEN

Kristen Raney has two main passions in life: Music and to make things beautiful. She earned her masters of music and set out to build her voice studio, but always felt like something was missing. ([Read more here.](#))

Shifting Roots is a way of getting back to her creative roots. Kristen loves channelling her inner pioneer-grandma and coming up with new recipes, gardening tips, and DIY's, all while decorating and renovating her 1929 character home into the gem she knows it will be.

Kristen has been a guest blogger at [Tim Topham](#), [Schmopera](#), and [Just A Simple Home](#)

READERS

I enjoy seeing the transformative power you have. I think you have an unique perspective on renovations and I love going along for the ride. I love your aesthetic; a little old English charm, a little shabby chic, and a lot of magic! That's besides how relatable you are, and how inspired I feel when I read your blogs. You make us feel empowered!

- Angela B.

Self Sufficient

Shifting Roots readers love to garden, make their own foods, and do it themselves.

Easy and Simple

Shifting Roots readers like simple solutions that are easy and look amazing.

DIY Divas

Shifting Roots readers can't wait to try out a new paint colour or furniture layout to make their home look its best.
